

PAN-AMERICAN INTERCOLLEGIATE TEAM CHESS CHAMPIONSHIPS
CERTIFYING ELIGIBILITY CHECKLIST
(BASED ON CURRENT TOURNAMENT RULES; REVISED 2018)

Note: This form is an option intended to be helpful and to be used by colleges and universities not awarding chess scholarships and/or teams that do not have players with titles of FIDE GM or IM. If your college awards chess scholarships and/or if your team includes GMs or IMs on the roster, please see additional rules 1 and/or 6 of the complete eligibility rules, available online here: <http://collegechess.org/PanAms.html>

For any questions regarding eligibility or this form, please contact the USCF College Chess Committee Chair, Kelly M. Bloomfield (bloomfield.40@osu.edu).

The checklist below must be copied onto your institution's letterhead. All boxes should be checked to confirm compliance. The letter should be signed, dated, and stamped with your University's seal by your University registrar or commensurate authority. Please scan and email the letter to Kelly M. Bloomfield (email above). You will receive a return email. Be sure to bring the original to the event. You'll have a great time at the 2018 PanAms!

 Players listed below are enrolled in at least six (6) semester credit hours during the fall semester of the current academic year. No player is currently enrolled in high school. (Rule 2)

All players listed below are currently enrolled in a degree-seeking program with a cumulative grade point average of at least a C or equivalent, including the fall semester before the PanAms. If a student is new to the institution and has no GPA, then this GPA requirement is waived. (Rule 4)

All players listed below are residents on the same geographical campus or in housing within a reasonable commuting distance from campus and from each other. (Rule 5)

No player listed below is a faculty member or staff. In this context, "staff" is not intended to include student workers or teaching assistants. (Rule 7)
